

# Gorillaz, Hollywood (feat. Snoop Dogg & Jamie P

Where the beautiful people at?  
i said Where the beautiful people at?  
beautiful people clap your hands  
freaky people clap your hands  
geeky people clap your hands  
everybody clap your hands

Hollywood is alright  
Hollywood is fragrant  
jealously is gunfire  
it makes you kill the vibe  
she's wonderful thing  
jealously and dark time  
sinking on the web  
there's more to love than that  
jealously is vibe down  
jealously is vibe down

I'ma go walk  
all the way to the hills  
but you never know what's real  
so you have to be prepared  
you have to be ready /2x  
cause she can be a bitch  
and it's a wonderful thing  
Hollywood  
she's so seductive  
she's got me looking for the dream  
I bow down  
she knows how to do it  
exactly the way I like it

Hollywood is alright  
Hollywood is fragrant  
jealously is gunfire  
it makes you kill the vibe  
she's wonderful thing  
jealously and dark time  
sinking on the web  
there's more to love than that  
jealously is vibe down  
jealously is vibe down

then I came through with that big fat chicken on my neck  
little did they know, no sweat  
so I dimmed out  
rimmed out and cracked the glass  
25 pounds  
can you match that bag?  
cause if you not, rise up  
I got a deal to make  
and couple of bad bitches I've been making a break  
wake it and bake  
I put the cake on the plate  
jealously and me  
oh, we're making the day  
come and fight with tis  
Hollywood, nigga won't survive this shit  
I do that did that  
blow your fucking wig back  
for real gorilla, who love's going  
they wanna eye me down  
tie me down, lock me up  
but I'm a lion in the dof pound

now, how that sound?

Hollywood is alright  
Hollywood is fragrant  
jealously is gunfire  
it makes you kill the vibe  
she's wonderful thing  
jealously and dark time  
sinking on the web  
there's more to love than that  
jealously is vibe down  
jealously is vibe down

she's just what I need  
and it's wonderful thing  
in this ity of dreams  
and it's a wonderful thing  
you knows how to ride me  
you know how to excite me
