Rock the salsa
Funk the blues-a
Any groove to
Make you move cos
Taking you to
Another landscape
Its my mandate
Im highly animated even though Im decomposing
So if your feet is frozen im a die to see you ropin?

I have you making a fool
Out of yourself on the dance floor
Doing back spins running man and more
Party down with vigga and candor
Coming to the jam
Or look like a landlubber
And do the aqua boogie
Win lots of goodies maybe
Pop a gucci wallet turntables is talking to me
Its awfully groovy
Seeing all the treasure and the booty
