

# Gorillaz, Skinny Ape

Shoot the pool at least try to let it go  
But nobody knows what they're dealing with here  
I was called Skinny Ape

There will be time and there will be a sign  
When all the kids who have cancelled time will  
Take my hand and pull me up again  
Cheer me up and help me walk again

Shoot the pool at least try to let it go  
But nobody knows what they're dealing with here

I got bones, I got jaded legs  
Not the type that can rearrange around  
Leaving plastic on a vacant lot  
Left me high and staring at a robot

Don't be sad for me  
I'm a cartoon G  
And my intent is to breathe in a new world  
Don't be sad for me

I can balance on the highest tree  
You can hardly see outlines of me  
I can disappear, I'll light up your day  
In this vacant stage  
I'm a skinny little ape

Don't be sad for me (I'm a skinny little ape)  
I'm a cartoon G  
And my intent is to breathe in a new world  
Don't be sad for me

Don't be sad for me  
I'm a cartoon G  
And my intent is to breathe in a new world  
Don't be sad for me
