

# Gorky Park, My Generation

People try to put us down, talking 'bout my generation  
Just because we get around, talking 'bout my generation  
Things they do look awful cold, talking 'bout my generation  
Hope I die before I get old, talking 'bout my generation

This is my generation / This is my generation  
This is my generation / Oh yeah my generation  
This is my generation / My generation

Why don't you all fade away, talking 'bout my generation  
Don't try and dig what we all say, talking 'bout my generation  
I'm not trying to cause a big sensation, talking 'bout my generation  
I'm just talking about my generation, talking 'bout my generation

This is my generation / This is my generation  
This is my generation / Oh yeah my generation  
This is my generation / My generation

On your feet, Russian people  
On your feet, Russian people  
On your feet, Russian people  
On your feet, Russian people

This is my generation / This is my generation  
This is my generation / Oh yeah my generation  
This is my generation / My generation

People try to put us down, talking 'bout my generation  
Just because we get around, talking 'bout my generation  
Things they do look awful cold, talking 'bout my generation  
Hope I die before I get old, talking 'bout my generation

This is my generation / This is my generation  
This is my generation / Oh yeah my generation  
This is my generation / My generation

This is my generation

This is my generation / This is our generation  
This is my generation / My generation  
This is my generation / Oh yeah, Oh yeah  
This is my generation / Hey, oh yeah  
This is my generation / Yeah!
