(Mr. Solo)

(just slide, slide, slipadee slide)  
me the mic and step back and let Solo get it crackin  
if you ready like Freddy I can rock steady  
keep 'em hot and sweaty as I drops like a Chevy  
on gowans, but oh some still ain't understandin me (??)  
I takes the party single-handedly, with no profanity  
cuz vanity leads to calamity  
and thats insanity, id rather rap about the Man in me  
(who is He?) oh He be the G O D, dwellin in the Double G  
and if He's for me who can trouble me?  
I got 'em bouncin to the ouncin, I say what counts and  
I see the mic and like Mufasa i'll be pouncin  
cuz if you can't make 'em move then your groove ain't hittin  
and if they don't repeat your lyrics then you really ain't spittin  
but we get props on both sides of what we do  
cuz wit ministry and music we true, I thought you knew
