

# Gospel, Lord, Thank You For The Memories

I feel I'm wrapped in your love  
On a warm summers day.  
And I feel kisses from angels  
That you send my way.

Its more than a feeling  
This gift from God.  
I feel that your'e with me  
As you smile, and nod.

And I say; Lord, thank you for the memories  
And all the loving care.  
Thanks for friends and family  
And letting them be there.

I can feel your hand  
Hear your whispers in the air.  
I know that you see me  
I wish I was there.

It's more than just memories  
As I'm sure your're aware.  
The times you've stood by me  
Has showed me you care.

And I say; Lord, thank you for the memories  
And all the loving care.  
Thanks for friends and family  
And letting them be there.
