

GOT7, You Calling My Name

i am why made you cry
I hated myself
only leaving scars
I resented my mistakes

now without you
my name lost its meaning
please call it again
please call it again

my fatal mistake
my whiteout you
I am fake
sky without light
black!
every day is meaningless
oh immature
bad guy
oh the price for making you cry
oh oh
girl don't leave me
please come back!

I was fool
since you've been gone
my reason for being has gone too
I didn't know it back then
oh yeah yeah yeah
