GOT7, You Calling My Name

i am why made you cry I hated myself only leaving scars I resented my mistakes

now without you my name lost its meaning please call it again please call it again

my fatal mistake
my whiteout you
I am fake
sky without light
black!
every day is meaningless
oh immature
bad guy
oh the price for making you cry
oh oh
girl don't leave me
please come back!

I was fool since you've been gone my reason for being has gone too I didn't know it back then oh yeah yeah
