

# Gothica, Sepulchres

(Words by Delgado Jos Espronceda 1808-1842)

Y encontr mi illusion desvanecida  
Y eterno e insaciable mi deseo:  
Palp la realidad y odi la vida.  
Solo en la paz de los sepulcros creo.

"And I found my hope had vanished by now  
And eternal and insatiable was my desire:  
I felt reality and hated life.  
I believe only in the peace of sepulchres."
