Gotthard, Dirty Weekend

Hey pretty woman are you willin', don't tell me no I gonna take you to the place Where the good time people go It's a whole lotta fun there Or we could fly just somewhere Don't give me riddles, let me know

True, i might be wicked No i won't tell no lie Wanna live a life that's burning ? It's easy if you try

Dirty weekend To help a little soul in need Dirty weekend come along This is just an offer you can't refuse The time is running out If you're looking for a Dirty weekend I'm the one

Your perfect body and my sense for company We're made one for another Like gold and luxury...mhh Can't you feel the hunger Like a magic spell we're under Baby, you got the coffer i got the key

So gimme all or nothing No, you won't see me cry Wanna live a life that's burning ? It's easy if you try

Dirty weekend To help a little soul in need Dirty weekend come along This is just an offer you can't refuse The time is running out If you're looking for a Dirty weekend I'm the one
