

# Gotthard, Downtown

Well I'm driving down a highway  
Like so many times before  
While listening to the music, loud and proud  
I'm movin' on

Every time it's the same  
I hear you callin' my name, my name  
I've been away for too long  
Can't wait to see you again  
Oh, you know I miss you

Downtown, downtown  
It's always the same  
Downtown, downtown

I hear the sound of every heartbeat  
When the night is comin' down, down  
I know exactly the place  
Where all my friends are goin' to be  
It's easy to see

Every time it's the same  
I know, you're callin' my name, my name  
I've been away for too long  
Can't wait to see you again  
Oh, you know I miss you

Downtown, downtown  
It's always the same  
Downtown, downtown.... right!
