

Gotthard, Firedance

Once again I start to wonder
Sailing thoughts on endless sea
Might be you I see reflected, from afar
Could be just my fantasy

All my love, and emotion
Life is nothing without you
Like a drop finds the ocean
I'm gonna find my way to you

Low thunder rollin'
Take me away, away
There's something callin'
Askin' me to play

Firedance, it's a firedance
Firedance, just a firedance, oh yeah

I'm the wind against the mountains
I'm the fire deep inside
I feel the magic, the rhythm is my soul
I no longer have to hide

Join me now, come on over
There's a place right here for you
Seize the moment and discover
All the things you always knew
