

# Gotthard, Firedance

Once again I start to wonder  
Sailing thoughts on endless sea  
Might be you I see reflected, from afar  
Could be just my fantasy

All my love, and emotion  
Life is nothing without you  
Like a drop finds the ocean  
I'm gonna find my way to you

Low thunder rollin'  
Take me away, away  
There's something callin'  
Askin' me to play

Firedance, it's a firedance  
Firedance, just a firedance, oh yeah

I'm the wind against the mountains  
I'm the fire deep inside  
I feel the magic, the rhythm is my soul  
I no longer have to hide

Join me now, come on over  
There's a place right here for you  
Seize the moment and discover  
All the things you always knew
