

Gotye, Don't Worry, We'll Be Watching You

Hey
What's your name?
Don't worry...
And don't be afraid
We won't hurt you

Hey
Lost your way?
Well don't worry...
Just do as we say
And we won't hurt you

It's hard
The world can lead you so astray
It gets harder
It's hard just to keep the faith

Do you need a reminder?
Of the love that we gave you?
Don't worry

You're walking away...
But we'll always be watching you

We'll always be watching you
