

# Gotye, Easy Way Out

Seventeen seconds and I'm over it  
Ready for the disconnect  
Putting on a brave face  
Trying not to listen  
to the voices in the back of my head

(But it's alright now)  
It's a distant memory baby  
(It's alright now)  
You know you should just let it go

But some feelings have a habit of persisting  
even though you wouldn't let it show

Wearing me out  
(All this)  
Hanging around  
(It just starts)  
Getting me down  
(till I'm just)  
Looking for an easy way out

Braindead from boredom  
I'm led in distraction  
Scratching the surface of life  
Nothing really happens  
But it's easy to keep busy  
When you tell yourself you're traveling right

(But it's alright now)  
Was it really worth it baby?  
(It's alright now)  
Was it just a waste of time?

Keep on second-guessing  
Use my memory like a weapon  
On everything I try
