

Gourds, Laying Around The House

Columbia's unwound
If it gets any worse
Gonna have to go down
Get me some military training
Embark on a little mission
Slap some bicycle together
Got to get the ball rolling
Let's just say
Got to wrap some roses
Snug in a tortilla
Got to pay a little visit
To Fatty Carmello
Helps keep the classical
Up on the radio
Hell, I can't help it
If God don't walk here
Everytime I want to work
But maybe if my bed is made
Or I cast a vote
Take it easy on the wino
Or give up the smoke
Ole Fatty Carmello
Ole Fatty gonna be broke
And I can just use
What's laying around the house
