

# Gourds, Piss & Moan

Spent my whole paycheck

On the goddamn rent

And much more I can piss and moan about

Gonna piss and moan right outta here

Spent the whole damn day

In the goddamn house

Ain't much more I ramble on about

Ramble right on out here

Say you don't know

Where yer money goes

(lincoln, jackson, franklin)

I see yer (abraham, andrew, benjamin)

Wish I had me some of those

Spent my whole damn wad

On food and pot

Ain't much more that I have got

Gonna get it and get out of here
