

Government Issue, Caring Line

Morbid feelings in an envelope
Only kidding it's only a joke
Don't let him get too close
Don't let her get too close
Don't let anyone get that close
There's a fine line a caring line
Between overbearing a caring line
Got my number and got the dime
An information depression hotline
I let him get too close
I let her get too close
Don't let anyone get that close...
