

# Government Issue, Caring Line

Morbid feelings in an envelope  
Only kidding it's only a joke  
Don't let him get too close  
Don't let her get too close  
Don't let anyone get that close  
There's a fine line a caring line  
Between overbearing a caring line  
Got my number and got the dime  
An information depression hotline  
I let him get too close  
I let her get too close  
Don't let anyone get that close...
