

Government Issue, Massacre

It's late at night and my eyes are wide
flipping the channels trying to decide
I'm sick and tired of every bit
and just too wired to have a fit
Just saw a massacre on the news
I wasn't there, I got nothing to lose
my social life is getting me down when I'm up here I play the clown
I just can't hide from the world
can talk to boys but better with girls
guess I'm just too emotional
what the
