

# Gowan, (You're A) Strange Animal

Well they say I should approach you  
With caution  
But not to let you be aware of my fear  
Never know what you'll find  
Don't understand your kind 'round here  
Watching your moves  
They look so radical  
Hearing your words  
They sound fanatical  
Something inside reveals you're magical  
How can I get enough  
(chorus)  
You're a strange animal  
That's what I know  
But you're a strange animal  
I've got to follow  
They've been trying to stick a line  
In your system  
Analysing the defenses you hold  
Trying to open wide  
Hoping to step inside your soul  
But everything here is unfamiliar  
Nothing they've seen remotely similar  
How can it be you're so peculiar  
How can I get enough  
(chorus)  
O Ominous Spiritus!
