

Gowan, Youe A Strange Animal

Well they say that I sould approach you with caution,
but not to let you be aware of my fear,
Never know what you'll find,
Dont understand your kind, 'round here
Watchin' your movies they look so radical
Hearing your words they sound fanatical
Something inside me feels your magical
uh whoa
I cannot get enough

(Chorus)
You're a strange animal,
That's what I know
But, You're a strange animal
I've got to follow
whoa

They've been tryin' to stick I light in your system
analizing the defences you hold
tryin to open wide
hopin to step inside, your soul

well everything her is unfamiliar
Nothing we've seen remotly similar
How can it be so peculiar
oh yo
I cannot get enough

(Chorus)

Whoaaaaaaa

I've got to follow
I got to follow

Whoaaaaaaa
Whoaaaaaaa

I cannot get enough

Your a strnage animal
Thats what I know
But your a strange animal
I got to follow

womanus speedeetus

oh, Your a strange animal
That's what I know
but, your a strange animal
I got to follow

You're a strange animal
That's what I know
But, your a strange animal
I got to follow

oh, womanus speedeetus

oh, your a strange animal
thats what I know
but, your a strange animal
I got to follow

whoa.....(fades out)
