

Grace VanderWaal, Intro (Gucci Shoes)

I just bought some new Gucci shoes
wasted my collage funds just to look cute
forty minutes to look like I did it in two
maybe I am vain, but s o are you

and , and I want it for free
I wish that I was free
I wonder if anybody sees what I see

who do I care?
who do i?
well, I don't know
who do I care?
who do I care?
who do i?

who do I care?
who do i?
well, I don't know
who do I care?
who do I care?
who do i?

who do I care?
who do i?
well, I don't know
who do I care?
who do I care?
who do i?

who do I care?
who do i?
well, I don't know

so I got a new wig
got some new clothes
I made some new friends that I don't even know
and I got a new wig
got some new clothes
I learned a new dance, got a nw nose

and I don't even care
I don't even care
no, I don't even care
I don't even know know know
and I don't even care
I don't even care
don't even care
