

# Graham Colton Band, Best Thing

You're ready to go  
I fake a smile  
all that's between us now is just 3,000 miles  
I move closer to you, you cover your face  
you tried for months to make me notice  
that you'd rather stay

So why is it so hard to tell you that I'm not leaving you here  
and I want you to know that  
So sorry that I hurt you, you are the best thing in my life

We kiss goodbye  
We've run out of time  
I leave you standing there all alone, w/ strangers in line  
walk out the door, and run back inside  
Your plane is taking off in thin air  
You stay behind  
I pull you in my arms and tell you that:  
I'm not leaving you here and I want you to know that

So sorry I hurt you, you are the best thing in my life  
Somehow I know we'll make it to the other side  
We can work it out, you are the best thing in my life  
Tried so, tried so, tried so hard to tell you that  
I'd do anything

I'm not leaving you here and I want you to know that  
So sorry I hurt you  
You are the best thing in my life  
Somehow I know we'll make it to the other side  
We can work it out, you are the best thing in my life

In my life, in my life  
In my life, in my life  
In my life
