

Graham Colton Band, Cigarette

You, you gotta be the one
Whose in on the action
I, I'm wondering when we're leaving
And you, gotta meet everyone before it's all over
Why, your gonna be here next weekend
And you, you gotta be something else
Cause we all got older
And you, your gonna be someone
(Chorus)
You make me wanna smoke a cigarette
You make me wanna be someone else
You make me wanna be somebody you would leave
And I could forget
you gotta be the one to get a reaction
I, don't wanna anyone to see me
And you, you gotta be something else
Cause we all got older
And you, your gonna be someone
(Chorus x2)
(Bridge)
There's always something wrong
There's always something wrong
There's always something wrong
But now all you see is me
And I'll stay, you go, I'm fine, with or without you
And I'll stay, you go, I'm fine, with or without you
And I'll stay, you go, I'm fine, with or without you
And I'll stay, you go, I'm fine, with or without you
And I'll stay, you go, I'm fine, with or without you..
(Chorus x2)
Cigarette, cigarette, cigarette
