

Graham Colton Band, Jessica

so I'm down here like you wanted
why am I not sleeping in your bed
its 3 o'clock in the morning
are you all over me again
you're the one I can't figure out
but the one I can't forget
you got me worked up and locked out
I gotta stop messin with you
messin with my head
Jessica, I can't solve this equation
and its tearing me apart
Jessica
game's not worth playin
if you don't finish what you
starting over without you
you'd be the first thing in my past
we'd sleep alone
I won't call you on the phone
be we know that won't last
Jessica
I can't solve this equation
and its tearing me apart
Jessica
game's not worth playing
if you don't finish what you start
its the hardest thing to let you go
but I'm leaving tonight
it was good for me was it good for you?
goodbye
