

Graham Colton Band, You And Only You

there's no more incense burning in the room
there's no more suspense before we touch
there's so much love back then
do you remember when
away from all your friends
I finally got to tell you that I want

you and only you
let's try to make things right
don't let go yet
it's too soon to say goodbye

what we had was good
cool kids in the neighborhood
got away with what we could
in parking lots and late night drive throughs
had to be so cool
left you waiting after school
it's so unfair and cruel
I just wanna make it up to

you and only you
let's try to make things right
don't let go yet
it's too soon to say goodbye
you and only you
let's try to make things right
don't let go yet
it's too soon to say goodbye

say goodbye
say goodbye
say goodbye

it was you and only you
let's try to make things right
don't let go yet
it's too soon to say goodbye

you and only you
let's try to make things right
don't let go yet
it's too soon to say goodbye

don't leave me lonely
don't leave me lonely
don't leave me lonely
don't leave me lonely
