

Graham Nash, I Got A Rock

I Got A Rock (3:17)
words & music by Graham Nash
1985 Putzy-Putzy Music

I got a rock.
You got a rock.
We got a rock.
They got a rock.

I got a stick.
You got a stick.
We got a stick.
They got a stick.

I got a gun.
You got a gun.
We got a gun.
They got a gun.

But I got a wife.
I got a family.
I got a country.
I want a future.

I got a bomb.
You got a bomb.
We got a bomb.
They got a bomb.

But I got a wife.
I got a family.
I got a country.
I want a future.

But I got a wife.
I got a family.
I got a country.
I want a future.

But I got a wife.
I got a family.
I got a country.
I want a future.
