

Graham Nash, Keep Away From Me

Keep Away From Me (3:34)

words & music by Graham Nash 1985 Putzy-Putzy Music

I started out to get your full attention.
But I just have to say.
There's just one thing that I forgot to mention.
You'd better stay away.

Keep away from me.
Keep away from me.
Keep away from me.
Keep away from me.

You always brag about your latest venture.
How much you're gonna make.
I'm not opposed to making lots of money.
But how much does it take.

Keep away from me.
Keep away from me.
Keep away from me.
Keep away from me.

Don't want to hear about your latest journey.
Or where you're gonna be.
Don't want to look at all your family photos,
It's all too much for me.

Keep away from me.
Keep away from me.
Keep away from me.
Keep away from me.

Keep away from me.
Keep away from me.
Keep away from me.
Keep away from me.

Keep away from me.
Keep away from me.
Keep away from me.
Keep away from me.
