

# Graham Nash, Try To Find Me

Try To Find Me  
by Graham Nash  
from the CSN - Acoustic Concert (Video)

I'm In Here, With A Lonely Light, But Maybe You Can See Me.  
Oh, And I'm In Here, With My Mind On Fire.  
Do Your Best And Try To Find Me.  
Under Me, There's A Lovely Life That Screams For A Little Daylight.  
Oh, And Through My Eyes, I Can See For Sure  
That My Soul Shines On. So Try To Find Me.  
'Cause I'm Trapped In The Web Of A Dark Night.  
Won't You Please Be My Bridge Into Daylight?  
When I Know I Am Loved, I Am All Right. So Try To Find Me.  
So Try To Find Me.  
'Cause I'm Trapped In The Web Of A Dark Night.  
Won't You Please Be My Bridge Into Daylight?  
When I Know I Am Loved, I Am All Right. So Try To Find Me.  
Oh, Hear My Heart. It's The Same As Yours,  
But It Beats With A Distant Thunder. Oh And I'm Still In Here  
With My Heart So Pure. I Can Say No More.  
But Won't You Unlock My Door,  
And Try To Find Me.
