

Graham Parker, Last Stop Is Nowhere

Chorus

Last stop is nowhere
That's where i'm bound
Last stop is nowhere
That's where i'll be found

I know we're leavin'
On different trains
With the same baggage
But different aims
You're headini eastbound
I'm headiw west
You keep on sayin'
That it's for the best

Chorus

Bridge

I've had a long layover
To think about my sweet lover
I can't believe it's over for us
For us

Chorus
