

# Graham Parker, Miracle A Minute

Ooh ooohh, Ooh oooh, ooh oooh  
Ooh ooohh, Ooh oooh, ooh oooh  
When you put your arms around me, the doctor has to operate  
We get so stuck on each other we just can't separate, too late

It's a miracle a minute, it's a miracle a minute, baby  
It's a miracle a minute, it's a miracle a minute

Your touch feels like magic fingers on my head  
Your kiss is a invitation, an invitation that I read, I'm in debt to

It's a miracle a minute, it's a miracle a minute, baby  
It's a miracle a minute, it's a miracle a minute

It's a miracle a minute, it's a miracle a minute, baby  
It's a miracle a minute, it's a miracle a minute

It only takes me a second to call you on the phone  
You always lift the receiver up I never get a busy tone, cause you're home

It's a miracle a minute, it's a miracle a minute, baby  
It's a miracle a minute, it's a miracle a minute

It's a miracle  
It's a miracle  
It's a miracle

It's a miracle a minute, it's a miracle a minute, baby  
It's a miracle a minute, it's a miracle a minute

Immaculate conception, revelations come,  
It only takes a miracle and you're the only one, the one that's

It's a miracle a minute, it's a miracle a minute, baby  
It's a miracle a minute, it's a miracle a minute

It's a miracle a minute, it's a miracle a minute, baby  
It's a miracle a minute, it's a miracle a minute
