Gram Parsons, Christine's Tune

She's a devil in disguise You can see it in her eyes She's telling dirty lies She's a devil in disguise In disguise

Now a woman like that all she does is hate you She doesn't know what makes a man a man She'll talk about the time that she's been with you She'll speak your name to everyone she can

She's a devil in disguise You can see it in her eyes She's telling dirty lies She's a devil in disguise In disguise

Unhappiness has been her close companion Her world is full of jealously and doubt It gets her off to see a person crying She's just the kind that you can do without

She's a devil in disguise You can see it in her eyes She's telling dirty lies She's a devil in disguise In disguise

Her number always turns up in your pocket Whenever you are looking for a dime It's all right to call her, but I'll bet you The moon is full and you're just wasting time.

She's a devil in disguise You can see it in her eyes She's telling dirty lies She's a devil in disguise In disguise
