

# Gram Parsons, Cry One More Time

Cry one more time for you  
I really got it bad  
Cry one more time for you  
I&#039;ve lost the best i had

Everything is gone wrong  
I need another beer  
She&#039;s got her mind on leavin&#039;  
That&#039;s what i&#039;m doing here

Ain&#039;t no sense to talk to you  
I don&#039;t know what i&#039;d say  
Ain&#039;t no sense to argue  
So i just don&#039;t wanna stay

Cry one more time for you  
I really got it bad  
Cry one more time for you  
I&#039;ve lost the best i had

Instrumental

So sad, to be a lonely night (whoa!)  
So sad, it didn&#039;t work out right

Cry one more time for you  
I really got it bad  
Cry one more time for you  
I&#039;ve lost the best i had

I try to call the last night (yes, i do)  
I knew she wasn&#039;t here  
I don&#039;t wanna go uptown  
I know she&#039;ll be with him

Cry one more time for you  
I really got it bad  
Cry one more time for you  
I&#039;ve lost the best i had  
I&#039;ve lost the best i had...
