

# Gram Parsons, How Much I've Lived

Darling, there is something i must tell you, you must know.  
But it&#039;s so hard to say the words i feel.  
This fancy that i&#039;m on has been going on too long.  
It&#039;s time we stopped pretending things are real.

&#039;cause i&#039;ve been living deep in sin. i&#039;ve been living blind.  
And i don&#039;t know just what&#039;s right or wrong.  
To take a chance on losing you was such a silly thing to do.  
The chance i might wake up and find you gone.

Blue, so blue, my love is burning blue.  
Any brighter flame would be a lie.  
Blue, so blue, my love still burns for you,  
But i know that i&#039;ll only make you cry.

A thief can only steal from you. he cannot break your heart.  
He&#039;ll never touch the precious things inside.  
So one like you should surely be miles and miles away from me,  
Then you&#039;d never care how much i&#039;ve lied.

So try to understand the pain. it takes so long when i explain.  
Please, don&#039;t you forget how much i&#039;ve lied.
