Gram Parsons, Wheels

We've all got wheels to take ourselves away We've got telephones to say what we can't say We've all got higher and higher every day Come on, wheels, take this boy away

We're not afraid to ride We're not afraid to die So come on, wheels, take me home today Come on, wheels, take this boy away

Now when I feel that my time is almost up And destiny is in my right hand I'Il turn to him who made my fate so strong Come on, wheels, make this boy a man

We're not afraid to ride We're not afraid to die Come on, wheels, take me home today Come on, wheels, take this boy away Come on, wheels, take this boy away
