

# Grammatrain, Meet Virginia

She doesn't own a dress  
Her hair is always a mess  
If you catch her stealin' she won't confess  
She's beautiful

She smokes a pack a day  
Oh, wait, that's me, but anyways  
She doesn't care a thing about that hair  
She thinks I'm beautiful

She never compromises  
Loves babies and surprises  
Wear high heels when she excersizes  
Ain't that beautiful?  
Meet Virginia

Well she wants to be the Queen  
Then she thinks about her scene  
Pulls her hair back as she screams  
I don't really wanna be the queen

Her daddy wrestles alligators  
Mamma works on carburetors  
Her brother is a fine mediator for the President

Well here she is again on the phone  
Just like me, hates to be alone  
We just like to sit at home and rip on the President  
Meet Virginia

Well she wants to live her life  
Then she thinks about her life  
Pulls her hair back as she screams  
I don't really wanna live this life

She only drinks coffee at midnight  
When the moment is not right  
Her timing is quite unusual  
You see her confidence is tragic  
But her intuition magic  
And the shape of her body - unusual

Meet Virginia-I can't wait to  
Meet Virginia-Yea  
Chorus 1 & 2
