

Grand Belial's Key, Pimps of Gennesaret

Inheritors of the saints in lights
Greedy rats and vipers of charity
Stole the corpse from the burial ground
Then they nibbled on his embalmed cock

Pilate ordered the soldiers to guard
The sepulchre of the illegitimate turd
The varlets were soon to cometh
To give validity to a fictitious resurrection

Pimps of Gennesaret, disciples of Zion
Pimps of Gennesaret, holy host orgy

In Gennesaret the junkies assembles
Men dressed in robes, pedophiles
Amongst them much love abounded
Smearing sperm their favorite of pastimes

12 devout gays begging for feed
Robbing wine from a nearby wedding
In an effort to avoid the pains of labor
The idea of an afterlife they concocted

Pimps of Gennesaret, disciples of Zion
