

Grand Funk Railroad, Borderline

Many of love affairs grown cold
Just waitin for somebody to make up their mind
But you really don't know
Just how unfair and mistaken you are with the love you can't find

There's one thing about it, people,
You're not all alone
I know the feeling
Cause I got my own

I'm right on the borderline the borderline
The borderline between love and hate
Don't push me over, But don't keep me waitin
On the borderline, the borderline
I don't belong here I don't know why
I guess it's hard for me to say

There's one thing about it, people,
You're not all alone
I know the feeling
Cause I got my own

I'm right on the borderline the borderline
The borderline between love and hate
Don't push me over But don't keep me waitin
On the borderline, the borderline
I don't belong here, I don't know why
I guess it's hard for me to say good-bye

Oh right on the borderline
The borderline between love and hate
Don't push me over, but don't keep me waitin
On the borderline, the borderline
I don't belong here I don't know why
I guess it's hard for me to say good-bye
