

# Grand Funk Railroad, T.N.U.C.

You won't find me, knockin' at your door.  
I've known forever, you don't love me no more.  
If you don't want to lay there, with your mouth shut tight,  
I'm gettin' myself together, yes, I'm leavin' tonight

You ain't gonna' find nobody, to treat you like I do.  
I been down on my knees, you treat me like a fool.  
Now, I know what you're tryin' to do, awww, it ain't gonna' happen.  
'Cause I just done got hip to you, I'm gonna' walk out laughin'.
