Grand Incredible, Time After Time

I'm lying in my bed Hear the clock tickin I think of you Caught up in circles Confussion, there's nothing new Flashback, warm nights Almost left behind Suitcase of memories Time after... Sometimes you'll picture me I'm walking too far ahead You're calling to me I can't hear what you say And you say, go slow I fall behind The second hand unwinds

CHORUS:

If you're lost, you can look And you will find me Time after time If you fall, I will catch you I will be waiting Time after time (repeat)

After my picture fades
And darkness has turned to gray
Watching through windows
You're wondering if I'm okay
Secret stolen
All from deep inside
The 808's on time

(CHORUS)

And you say, go slow I fall behind The 808's on time

(CHORUS) (repeat)

Time after time... (until fades)
