

# Grand Island, Us Annexed

Ah, don't be an island son  
Do not be an island son  
Cause this is grand island son  
You better get your beat on son

Lalala - shanghai I wanna go  
You look so good when you're lonely

I'm gasoline you're fire  
Together so much better than electro wire  
No good to be alone  
All hidden in the ripples of a river song

So turn your lights down low  
Up we went, now down we go  
Until we know we are the next  
All together in this hour lover  
Us annexed

Lalala - shanghai I wanna go  
You look so good when you're lonely

When will this dust fall down  
Won't you come and stay around  
Pull out let lust stale none  
Oh there's love and all of hate now honey  
Us annexed

I'm going home now  
Say what's your name now?  
I'm going home now  
It's all the same now

I'll give my heart to you  
I'll give all my heart to you  
I won't defend my love for you  
I'll give my heart to you  
I'll give all my heart to  
I'll give my heart to you  
Give all my heart

Lalala - shanghai I wanna go  
You look so good when you're lonely
