"Don't worry about" "Big money" "Can you dig it?" "Amazing"

Verse 1:

Well don't you know what time again for the big shot (BIG SHOT) Doogie
Ready or not hit the buddah spot (BUDDAH SPOT)
Time to get the cash (TIME TO GET THE HONEY)
Time to get cash (TIME TO GET THE MONEY)
Check it I got the nack to put the groove in your back
Squeeze a rhyme like a pistol cause I'm smooth as Harvey Grisco
I come clean with more protein and overtein
The way I heat shit up you think my jaws was dipped in gasoline
Whoa now that's a fire
Puba got the hi-tech shit while other MC's come cheap like propi ya
So let's get down to the situation
Smooth like a Temptation Puba makes it good like penetration
That's how it's suppose to be
No question so don't you put a rush on me
I'm not a rookie I'm a pro you see my flow
Give me the doe you better ask somebody if ya don't know
