## Grand Puba, Very Special

Hook:

"Grand Puba is" (very special) uh ha uh ha (x4)

Verse 1:

Now many guys may come to you

With a line that isn't true

And you, pass them by (pass them by)

But it doesn't mean a thing

Cause Grand Puba got that game so won't cha, let me try (let me try)

Now just because I drive a Mercedes Benz (whooa yeah yeah)

That don't mean I'm gonna be trickin' on skins

See all I'm sayin' is (la la la la la la la la love me)

It's Grand P (twist the L yo twist the L)

See I'm sayin' just (la la la la la la la la love me)

It's Grand P (twist the L yo twist the L)

Here goes the man with the pecan tan

The one who flims the flam the one who plays weak MC's out like ham

I got the style that be bangin'

When the flow gets to slangin'

I be leavin' MCs hangin'

On my jammy just swangin'

So many brothers try to be me

Only two can probably see me that's Ray Charles and Stevie

My shit knocks from Lincoln popcorn down to Frangle Rock

Me turn pop?

Save that shit for Arnold Redenbach

Cause when it comes to this see Puba's not a stranger

Get the honies hooked like they kids is hooked on Power Rangers

And I ain't goin' now where word is born

Cause I've been doin' this since Shay Shay Lafon

I tell my record people everyday

We do this my way cause when it comes to my music I don't play

I'll came and slay ya or I may ah

Make sure my gettaway is more swifter than O.J.

Because...

## Hook

Verse 2:

Well who dat who do dat?

It's Pubat well true dat

While some try stealin' but they just keep failin'

Cause there's nothin' but smooth sailin'

The way I bring it to ya hon

Leave another stuck my scoop is how I get it done

There goes the little drummer boy so purumppapumpum

It's Grand Puba hon I hit it ruff like? and still puffin' stuff

I smack some mingos and sit back and watch my pockets fluff

Grand Puba here to get the party strarted

See I come with thee exotic

While you're puffin' your narcotics

I'll be damned if this don't hit cha where it's suppose to get cha

I keep it flowin' now would I bullshit cha?

I create styles and fashion with compassion

While others are simply trashin' cause my shit is simply smashin'

Stud Doogie still with me

From, sea, to, shining, sea
