Grand Theft Audio, Push It To The Limit

push it to the limit walk along the razor's edge don't look down, just keep your head or you'll be finished

open up the limit past the point of no return reach the top, but still you gotta learn how to keep it

hit the wheel, and double the stakes throttle wide open, like a bat out of hell you crash the gates (crash the gates!)

going for the back of beyond nothing gonna stop you there's nothing that strong it's so close now, you merely have the break so, push it!

ooo yeah

welcome to the limit take it maybe one step more the power game's still playing so you better win it

push it to the limit no one left to stand in your way you might get careless, but you'll never be saved while you still feel it

welcome to the limit standing on the razor's edge don't look down, just keep your head or you'll be finished

welcome to the limit

push it to the limit
