

Grand Theft Audio, Stoopid Ass

It's a new dawn now
Got a real cold shadow to greet me
It's a safe fake smile
Makes it all worth while believe me
I gotta new plan now
Gonna use this hour to kill you
Don't look so sour
I'm pleased to meet you

It's a new joke now
And I'm your grinning jester
Only one clown here
And the bastard's sure to get ya
If ya just play back
With the knives in your back around you
Who gives a shit
I'm pleased I found you

Do you think you can beat me...No
Stupidass sucker such a bad motherfucker with an uzi
No chance

Nothing left to say
And I think you know that feeling
Someone's gotta pay and
You're never gonna see me leavin'
I gotta new plan now
Gonna use this beat to kill you
Don't look so scared
I'm pleased to beat you

Do you think you can beat me...No
Stupid ass sucker such a bad motherfucker with an uzi
No chance

(repeat chorus with singing in background)
