

# Grandaddy, Go Progress Chrome

Go progress chrome  
They paint the moon today  
Some brand new future color  
Go progress chrome  
I aim to shoot the scaffolds  
I like it how it's always been  
Go progress chrome  
Nocturnal glare confusion  
The night owl and I will hunt the contractor  
Go progress chrome  
I won't be at your unveiling  
I like it how it's always been  
How it's always been
