

Grandaddy, Saddest Vacant Lot In All The World

She's in the kitchen,
Crying by the oven
It seems she really loved him

He's so drunk he's
Passed out in a Datsun
That's parked out in the hot sun
In the saddest vacant lot in all the world

Boldly going
Where he rarely knows
But he'll miss her when he goes

What a shame
As she drifts out of reach
While he's still drunk asleep
In the saddest vacant lot in all the world
