

Granddaddy, Summer Here Kids

After she lets you glide around
Finally hit the ground like a paper plane
Take a trip join me in the sun
But not really though, 'cause I ain't having fun
'Cause summer here kids
Summer here totally lies
Tourist info said I'd have a good time
Summer here kids
All of them awful lies
Tourist info said I'd have a good time

Do as I didn't do because
I'm a picture of imdumbivinity
Stay alone put a record on
Listen to the songs keep yourself at home
'Cause summer here kids
Summer here totally lies
Tourist info said I'd have a good time
Summer here kids
All of them awful lies
Tourist info said I'd have a good time
I'd have a good a time
I'm not having a good time
I'm not having a good time
