

grandson, Drones

Hopscotch
On the sidewalk
Dodging landmines
Next to the
Zombie
On the corner
Who got cast out
Forgotten
Life is cruel and unforgiving
I swore
To look out for
All the darkness
inside me
I will
not fall in I'll
Close my eyes cause
I know that
This won't end so I'll pretend that

DRONES UP IN THE SKY
LOOK LIKE PAPER KITES
BOMBS LIGHT UP THE NIGHT
BURN LIKE FIREFLIES
TELL ME ONE GOOD LIE
SO I CAN SLEEP AT NIGHT
HURT ME ONE MORE TIME
I WANNA FEEL ALIVE

Tragedy
I'm caught up in a fantasy
Temptation wanna dance with me
The devil really wanna cancel me
I gotta be the man you see
To take care of my family
I swear I never wanna
Let them down
People really wanna
Cut me out
I've come too far to give in now
And I don't wanna hit the ground
Imagination is all I got now
God don't let me grow up quick
Cuz It's a trap I know that shit
Yeah I know that
This won't end
So I'll pretend that

DRONES UP IN THE SKY
LOOK LIKE PAPER KITES
BOMBS LIGHT UP THE NIGHT
BURN LIKE FIREFLIES
TELL ME ONE GOOD LIE
SO I CAN SLEEP AT NIGHT
HURT ME ONE MORE TIME
I WANNA FEEL ALIVE

I wanna feel alive
Drones up in the sky
Bombs light up the night
Tell me one good lie
Hurt me one more time
I wanna feel alive
